American and Foreign STEREOSCOPIC EMPORIUM.

E. ANTHONY. 308 Broadway, NeW York. After May 1st, 1860. 501 BROAD WAY, two doors from the St. Nicholas Hotel.

The Stereoscope is the most instructive, interesting, taining, amuring, and exciting of modern tuven-None are too young, none too old, none too intelli-ent, none too uneducated, to acknowledge its worth No home is complete without it, and it must and will penetrate everywhere.

It presents to your view every part of the world, in all the relief, boldness, perspective, and sharpness of detail, as if you were on the spot.

Photographers are everywhere exploring Europe,

Asia, Africa, America, in search of the grand and the beautiful, and the results of their skill are conthe beautiful, and the results of their skill are constantly enriching our stock.

We have an immeuse variety of paper Views of
Scenes in Paris, London, England, Scotland, Ireland,
Wales, France, Belgium, Holiand, Switzerland, Spain,
The Khine, Versailles, St. Cloud, Fontainebieru,
Tuilleries, Italy, Turkey, Egypt, Athens, the Holy
Land, China, India, Crystal Palace, also Groupe His
torical, amusing, mirriage scenes, breakfact scenes
pic-nics, statuary, &c &c. An exquisite ausorimen
of Illuminated Interiors of Palaces, Churches, and Ca
thedrals of France, Italy, &c. &c. The effect o
these illuminated views is most remarkable.

Every gentleman of wealth and befined taste
should have in his drawing room some of our ex-

should have in his drawing room some of our ex-quisite sizes on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be showing 12, 25,50 or 100 scenes. Nothing can be more fast inating, and one can offer no greater treat to a friend fond of the picturesque and the beautiful. Anthomy's Instantaneous Stereoscope Views are the latest Pineographic wonder. They are taken in the forticth part of a second, and everything no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature it adds the charm of life and modion. The process is a discovery of our own, and being unknown in Europe, e we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.

Among other things we have just published Stereoscopic Illustrations of the Scene of the Fullox Struck Prayer Mexilings, in which many inverte feel an interest. The particulars of this will be found in our catalogue.

OUR CATALOGUE of subjects and prices will be forwarded to any address on receipt of a stamp.
Parties at a distance sending us \$3. \$5, \$10, \$15 20, or \$25 can have a good instrument and such pictures as hey may request, seet by Express. Views alone, (without instrument) can be sent by Parties who wish to be advised of everything real-

ly valuable in the line that comes out, may send us their names to place on record, and will keep them posted at our own expense.

Men of leisure will not Photography a most fascinating and delightful amusement. We are prepared to fit out amufeurs with everything necessary for their success together with instructions "How to take Stereoscopic Pictures." E. ANTHONY,

Importer and Manufacturer of Photographic Materials, stereoscopes and Stereoscopic Views. are respectfully invited to make an examination of our stock, as our discount to the trade will be lib-To Protographers.-First class stereoscopic Ne Send by mail a print unmounted, with price of Ne G.
